01 Profile

Qualified mechanic and Approved Queensland Roadworthy Examiner on the Gold Coast, with 4+ years in the trade: about 18 months at Sylva Motors in Biggera Waters, then Jimbos Automotive in Southport. At Jimbos Automotive in Southport I do logbook servicing, general repairs, parts replacement and fault finding. I'm looking for an Automotive Technician role on the Gold Coast or in South East Queensland.

02 Experience

2024 – now

Jimbos Automotive · Southport, QLD

- Complete logbook servicing and repairs to manufacturer schedules, to a high standard of workmanship
- Diagnose faults across a wide range of makes and models
- Work on my own with minimal supervision and solve problems as they come up
- Quote repairs and servicing with clear, fair cost estimates
- Process payments and handle transactions
- Take bookings and manage the workshop schedule
- Talk customers through their concerns and what their car needs

2022 – 2024

Sylva Motors · Biggera Waters, QLD

Where I started in the trade (about 18 months).

- Logbook servicing: oil and filter changes, fluids, belts and safety checks
- Brake, suspension, steering and tyre work
- Parts replacement and general mechanical repairs
- Vehicle inspections, recording faults on job cards
- Building diagnostic skills with scan tools and testing

03 Qualifications

- ☒ Certificate III in Light Vehicle Mechanical Technology
- ☒ Certificate IV in Automotive Mechanical Diagnosis
- ☒ Diploma in Automotive Management
- ☒ Approved Queensland Roadworthy Examiner
- ☒ Current QLD driver's licence
- ☒ Diploma of Information Technology
- ☒ Advanced Diploma of Network Security

04 What I work on

- Logbook servicing to manufacturer schedules
- Diagnostics and fault finding: scan tools, live data and testing
- Brakes, suspension, steering and cooling
- Parts replacement
- Roadworthy (safety certificate) inspections
- Workshop side: quoting, job cards and talking customers through repairs
